Here's a way to Take Pressure off **your Waiting Room, Services & Administration**

Health Information Services

There are over
12 Million
patient visits to
GPs each year

The GP Waiting Room

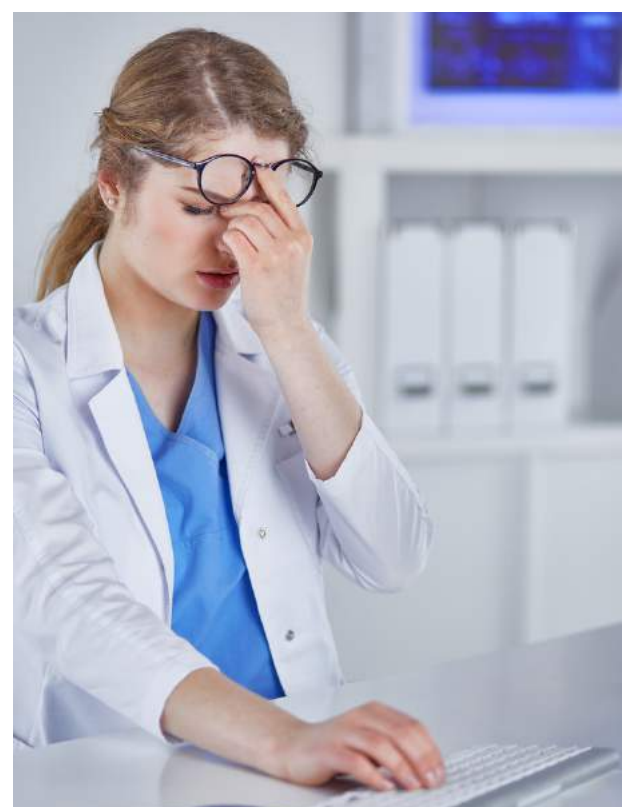

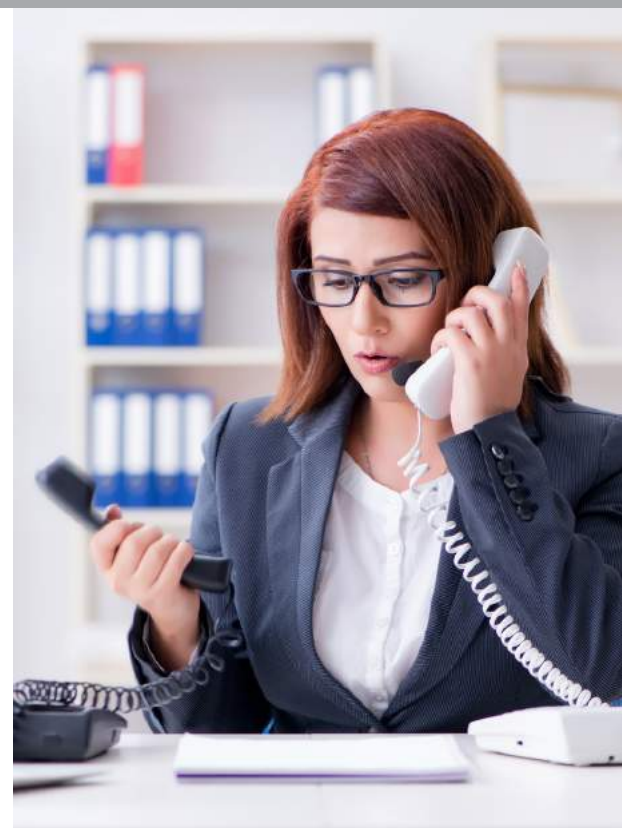

and
demand
for services
is growing

**We know at
times the
volume of
Patients is
overwhelming
many practices**

The GP Practice

**On average,
patients have a
waiting room
dwell time of
20 Minutes**

The GP Waiting Room

**This is a perfect
opportunity to message
patients to inform and
guide them to bring
about better
'behaviours'**

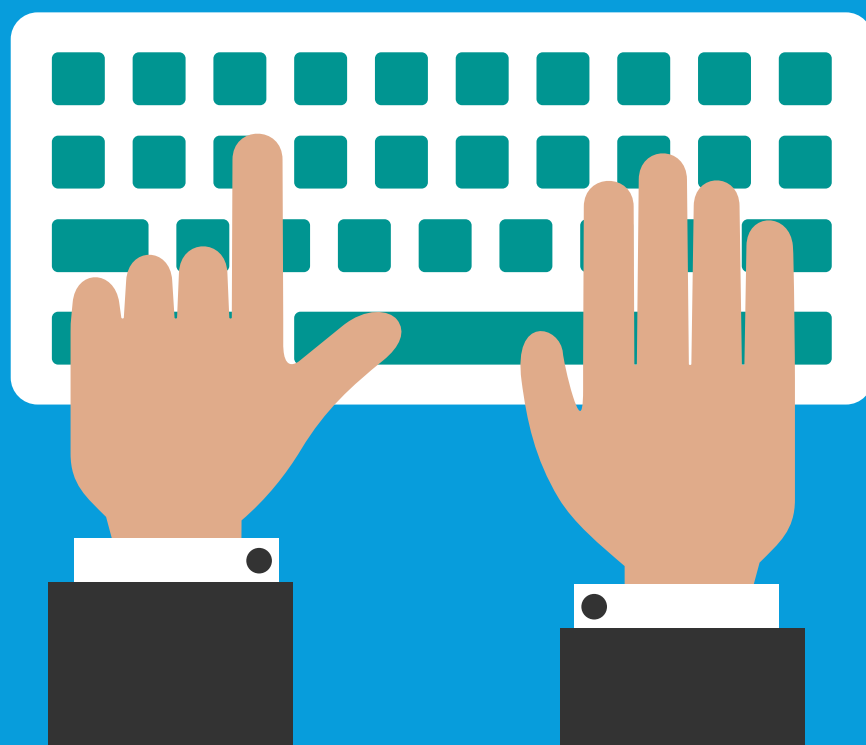

The GP Waiting Room

Our Digital Screens can feature any messages you wish to display

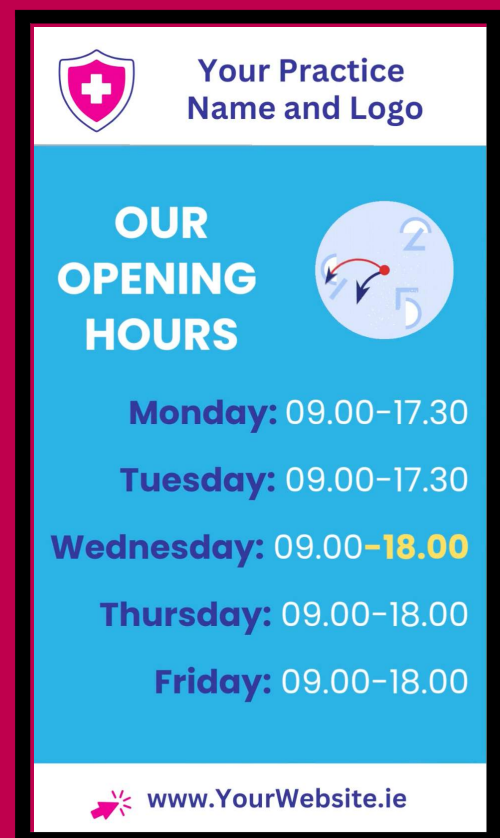

We can create
and manage
your
messages
remotely

You don't have to!

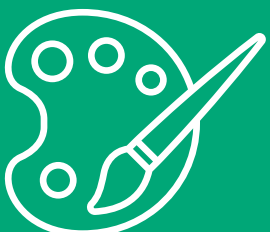

Here's what to know about your screen messages

Screens are silent

YOUR messages are customised

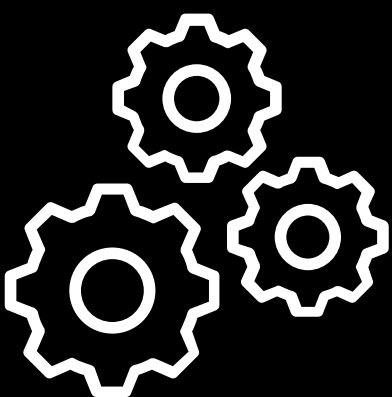

Messages are branded as YOURS

Messages can be still or animated

We manage everything remotely

We do it all.
You don't have to.

Sample Screen Message

Each motion graphic typically runs for 20 seconds on a loop. We brand and animate your sign.

OUTDOOR WORKERS ARE AT GREATER RISK OF SKIN CANCER.

GETTING PAINFUL SUNBURN INCREASES YOUR RISK

Protect your skin

- Keep your hat on
- Use the shade
- Wear sun glasses
- Use sun cream SPF 30 or higher

Spot cancer early

- Get any skin changes checked by your doctor

ECZEMA

Used several times a day, emollients help to:

- soothe dry, itchy skin
- repair the skin's natural barrier which prevents the entry of irritants and allergens that can trigger eczema flares
- increase the effectiveness of prescribed treatments
- reduce the requirement for topical steroids
